UNIVERSITY OF TEXAS AT ARLINGTON

Computer Engineering - Major Map

Academic year not stated on the source page | Retrieved October 9, 2026

Source: https://www.uta.edu/student-success/advising/major-exploration/eem/engineering/txt-coengr-computer-engineering

Scope: The recommended four-year sequence and academic advising guidance from this major map. Course choices and elective placeholders are preserved as printed; no prerequisites or per-course credits are inferred.

This undated major map is supplemental advising material. It is not labeled as a 2025-2026 curriculum. Compare its sequence with the selected catalog-year degree plan.

TOTAL DEGREE HOURS 124

Year	Fall semester	Spring semester	Year hours
1st year	UNIV 1131 OR ENGR 1101 CSE 1310 MATH 1426 ENGL 1301 HISTORY ELECTIVE LANG/PHIL/CULT	CSE 1106 CSE 1320 CSE 2315 MATH 2425 PHYS 1443	HOURS 32
2nd year	CSE 1325 CSE 2312 CSE 3318 PHYS 1444 HISTORY ELECTIVE	CSE 3380 CSE 2440 CSE 2441 POLS 2311 COMS 2302	HOURS 33
3rd year	IE 3301 CSE 3320 CSE 3323 CSE 3442 POLS 2312	CSE 3313 CSE 4323 TECHNICAL ELECTIVE MATH ELECTIVE ECON 2305/IE 2308	HOURS 31
4th year	CSE 3314 CSE 4316 CSE 4342 TECHNICAL ELECTIVE CREATIVE ART	CSE 4317 TECHNICAL ELECTIVE TECHNICAL ELECTIVE SCIENCE ELECTIVE	HOURS 28

Summer is marked optional in the source where listed; no summer courses are specified.

Academic advising guidance

Familiarize yourself with your degree plan .

Meet with your advisor once a semester to ensure you're on track for graduation.

If you are a freshman student, transition from freshman advising to department advising*.

Visit International Student Center to learn about study abroad opportunities, clubs, on campus events, and spring break community impact.

Complete your pre-professional courses and get admitted to the professional program.

Attend a CSE tech elective fair to lean more about your tech elective option

Use your flowchart to plan what classes you want to take in the future. Use the catalog to find course descriptions .

Consider adding a minor.

Ask Dr. Barasch about our fast track master's and PhD programs

See an advisor during your Senior Design classes to set your graduation semester.

Apply to graduate through MyMav.

If you're an international student and need a full-time waiver or OPT form signed , you must see an advisor to have it approved.
